

Welcome Center Food Valley Dual Career Program

WCFV guides your employee's partner into finding a job.

Welcome Center Food Valley welcomes expats to the Netherlands. The Dual Career Program enables their loved ones to approach the job market with confidence. To help the partners to have a happy landing & living, a career helps to feel part of the Dutch society and to feel at ease in our small country. Furthermore, it helps your (future) colleague to start their new job with more certainty.
